Keep Calm and Carry On

FIRST EDITION

JUN 2013

For Keith

On the first of September, 1979, East Longmeadow High School hired Keith Brownlee as the newest member of its Math Department. Brownlee had grown up in West Springfield, the second of six kids, graduated from West Springfield High School in '74, attended and graduated from AJC on a full math scholarship, and taught one year of eighth grade math in West Springfield before taking the job at ELHS, a job that was to span thirty four years and over three thousand students. He's taught every math course ELHS offers and even subject-hopped to chemistry for a few years; he says his favorite part of teaching is seeing the light bulb going off in a student's head when they grasp a concept (plus, he's a total math geek). Involving himself further, Brownlee coached the Spartans in hockey for twenty years, softball for nineteen, and most recently swimming for three, acquiring the position of head coach in hockey and softball.

Now that his career as a teacher is over, Brownlee and his wife Cate plan to travel in the chilly months, and he'll be treating his Yankee sweet tooth to an awful lot of Spring Training. Brownlee's father once told him that we only have so much time on this planet, so he should find something he loved to do, try and make a living from it, and enjoy the time he has. Looking back as he leaves, he can say he remembered that lesson well.

So, Brownlee, thank you for that time; for accompanied laps through the hallways and prehistoric math tricks; for explanations on grammar's inconsistencies ("So shouldn't 'go' rhyme with 'do'?") and for turning all your desks around to use the chalk board; for cheers during games and meets and for teaching us the forgotten magic of the slide ruler. Thank you for amassing 290 and a half unused sick days that you didn't take. This chapters over; here's to the next beginning.

Dear Class of *2013*,

In 1939, with the threat of a German invasion growing, the British government released a propaganda poster with the simple message: "Keep Calm and Carry On." This poster was intended to keep the civilian's spirits hopeful in times of dire distress. Now, Spartans, it is our turn to prepare for battle. We have spent the last thirteen years training, growing, making mistakes, and making memories, and now the time has come to *stand up* and use what we've learned. The enemy will not fall easily; *stay strong*. Set your aims high - if your dream is to *take the throne*, never settle for less. Most essentially, *be brave* when faced with the unknown, and never forget to *keep calm and carry on*.

Keep Calm, Mom

Our sister and best friend! We love you and hope your life is filled with smiles, happiness and that you know we are always with you.

Love,
Meagan and Danielle
(Mom & Dad too!)

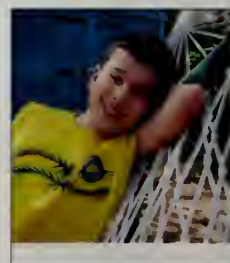

Caitlin Fleishman

Joe, we are so proud of the young man you have become. We could not have asked for a better son and brother. Your adventure is just beginning. As you turn the page to the next chapter in your life, always remember that life is a learning experience; we know you will be a good student. With your determination, we are confident you will achieve it all, and you can count on your family for love and support.

Love, Health, and Happiness always,
Mom, Dad, Erika and Sofia

Joe Berrouard

To my lovelies,

The three of you are literally just my extra appendages. There's a reason why I can't imagine having better friends-- they don't exist. You guys are absurd, obscene, and completely insane in the most extraordinary way, and I've been able to selfishly enjoy that for a while now, which I deeply appreciate. But now, it's imperative that you maintain that sense of wonder, because more than just me, the world needs you guys exactly as you are. I attribute so much of who I am and the happiness I hold so dear to you three: what you've taught me, what you've allowed me to experience, and what you simply are. Here's to getting trapped in the Breakers, harmonizing (kind of) with the radio, homemade Christmas gifts, late-night philosophical talks, the apartment we will someday share in London, and the absolutely incredible lives you have ahead of you. I am so insanely proud to call myself your friend. Now go kick some butt.

Danielle

Kelsi, Ben, and Phoebe

Our KK, Congratulations! You have accomplished so much in your 18 years. We are so proud of you. You always stay true to yourself no matter what adversity is thrown in your path. Never ever give up on your dreams! We believe in you, and always will.

Love you forever,
Mom & Dad

Kate Elmendorf

Lauren--We feel fortunate to have you as our daughter. It has been tremendously exciting watching you grow into a beautiful, confident and fun-loving young woman. Your integrity, dedication and spirit will get you anywhere you dare dream. Remember to keep "dancing," follow your heart and never stop believing. "Oh the Places You'll Go!" Congratulations on ALL your achievements. We "Love You More," Lauren!

Congratulations Taylor, our last but certainly not our least. Being the youngest, there's a tendency to follow because it's easy as the road is already paved. This is definitely not you! Continue to lead and take the road less travelled. Remain true to yourself and remember that you can accomplish anything that you set your mind to. We love you and are so proud of you.

Love,

Louise Gluck once wrote, "Of two sisters one is always the watcher, one the dancer". The perfection of this quote is unbelievable. I've always been the one watching out for you, doing whatever I can to keep you out of trouble and from getting into trouble, while you beautifully and carelessly danced your days away. I'm so proud of what you've done the past 18 years. You've become a strong, caring, beautiful, fun-loving and courageous young lady. I'm looking forward to what you will accomplish the next 4 years. Stay young and dance on. I love you baby sister.

xoxo, Michelle

Our Cross Country season's highlights were based around the team bonding we did that helped us grow as a team and as individual runners. One favorite memory was going to hilarious yoga classes every thursday. The team quote we said before every meet and lived by throughout the season was "One team, one trail!" Our coaches were Coach Budd and Coach Fois. Fois came mid-way through the season, joined us on runs and really aided in our improvement.

Boys Cross Country 7-4

Captains Corner

During the 2012 season of cross country, we had an amazing season. Some of our most memorable moments were with our two coaches, Ryan Corbett and Ryan O'Toole. Some of our favorite activities were scavenger hunts, tag sale hunting and crazy runs in the pouring rain. This season, we really felt like a family and our coaches were very happy with our efforts throughout the season. All we can say now is we hope that next season goes as well as this year and we wish all the best of luck to everyone next year.

Captains Corner

We had an amazing season this year. On our senior night, we played Palmer and earned our spot in playoffs with an intense victory. We also had new coaches this year,... Getting to know them is probably one of our favorite memories from the season, as well as, the bus rides to and from each game. We only had one team, so all four grades were on the same varsity team. This really made us close with each other to learn and grow as a team. We made many new friends. The memories we made this season will be with us long after college. Just getting the chance to play on a team with such awesome people has been really rewarding. We'll definitely miss this team next year in college.

Regan Miller, Hayley Grimes & Ariana Pizzanelli

Boys Soccer 9-8-2

Captains Corner

The East Longmeadow Men's Soccer team had a bounce back season and won seven more games this season than last season and earned a playoff berth. Under Coaches "Big Dog" Dave Serafino, Bryan Brown, and "Private" Tim Gallant, we exceeded all expectations. The coaches' styles, including hiked up shorts and capris, and their pre-game talks really got us fired up. After a slow start, goals from Dylan Kakley and strong defense from Jon Stone and Brennan Piemonte brought us into a nine game unbeaten streak. Tyler Martinelli was a brick wall in goal. Our 9-8-2 record was good enough for a Quarter Finals place in playoffs.

Jon Stone, Dylan Kakley, & Matt Byam-Mooney

Captain's Corner

One word can be used to sum up the 2012 Girl's Varsity Soccer team: Awesome. Led by seniors Anne Stack, Madison Grande, Emilie Maggipinto, and Captains Julia Weithofer and Kristen Casey, this season was one they'll never forget. The Spartans were ranked second in the state and topped the All-State list with players Dani White, Kristen Casey, Brooke Breton and Julia Weithofer. The team's very talented line-up scored a total of 53 goals while only allowing 9. After a very heartbreaking loss in double overtime of WMASS the Spartans ended their memorable season as League Champions with an undefeated streak of 14 games for a record of 16-2-1.

Kristen Casey & Julia Weithofer

Football 5-5

Captains Corner

This season was all around a great time. We had our ups and downs competing at the highest level, fighting through adversity and bettering ourselves in the process. And even though we fell short of our ultimate goal, the journey is one none of us would change or do differently if given the chance. We finished with a 5-5 record, one game short of a post-season appearance.

The golf team had a great season this year. We got off to a rough start losing key matches against South Hadley and Tantasqua. We bounced back and followed those losses with a 9-game winning streak. We had four seniors this year who provided great leadership. Our two captains were seniors Matthew Fontaine and Anthony Geary. Both captains were great leaders and kept the team close. The bus trips to away matches are times together that will never be forgotten. We were a very close team and it was fun spending time together. After every Tuesday match we went to Peppa's Pizza together and ate all-you-can-eat pizza. The highlight of the 2012 Spartan Golf Team was winning the Western Mass Title. Throughout the season, Coach Courtney would always remind us that WMASS was our main goal. In the end, we beat Longmeadow in a tiebreaker by one stroke. It was the most exhilarating feeling in the world to beat our rivals in such an important event.

The girl's varsity volleyball team had a very memorable season. We came in second place in the Hall of Fame Showcase tournament. We always had a lot of fun on and off the court. We always had to watch out for our Coach Brian Safford's "Yoshi" coffee. Our favorite drill was survivor and coming up with crazy team names. A classic joke amongst the team was when Cara did the inchworm and Rachel Michaelson's attempt. The seniors feel that our four years have flown by and we will all miss playing next year. Most seniors would like to continue play club volleyball or as a varsity sport.

Being a member of East Longmeadow High School's Varsity Cheer Team has truly been a privilege. I'm proud to say that our team of girls have grown closer over our course of grueling workouts, bus rides, and frigid Friday nights. Through all the bumps and bruises, we have always pulled through as a team. We've had our laughs, especially on our way to school for six a.m. after a night of pasta and Ghost Busters reenactments. We've also had our cries, sisters to sisters. All in all, our passion to cheer on the Spartans pushed us to our best. We did our best to be role models and I'm happy to think there will be more Spartans cheerleaders to carry on our legacy of respect, laughter and dedication.

Boys Basketball 12-9

Captains Corner

This year, we proved all of our doubters wrong and hung a league banner. This year we also experienced a coaching change. During the first few weeks, relationships were established and bonds began to form. We all bought into the idea that we all wanted to hang a banner. Going 12-9 and winning our league in dramatic fashion is something we all had invisioned since we were freshman. All in all, this year was a success. Even though our season ended abruptly, we stayed as a family through it all and were never once broken. Playing with such great guys was an amazing experience; something we'll never forget. We wish our seniors the best and know that the team from 2013, will truly be missed.

Even though we had a rough season, it's a season I'll never forget. High school basketball has been a great experience for us these past four years. Our most memorable moment of this season was when we upset Northhampton. The game really brought our team together and proved to everyone that we can beat one of the better teams in Western Mass. At the beginning of one of our games our Coach Mo told us that we needed to have "Grumption" in order to win the game. The word carried with us throughout the season and motivated us each game. I'll miss our crazy pasta parties, long bus rides, and especially the 12 girls that I've built relationships with this season.

Boys Swimming 7-4

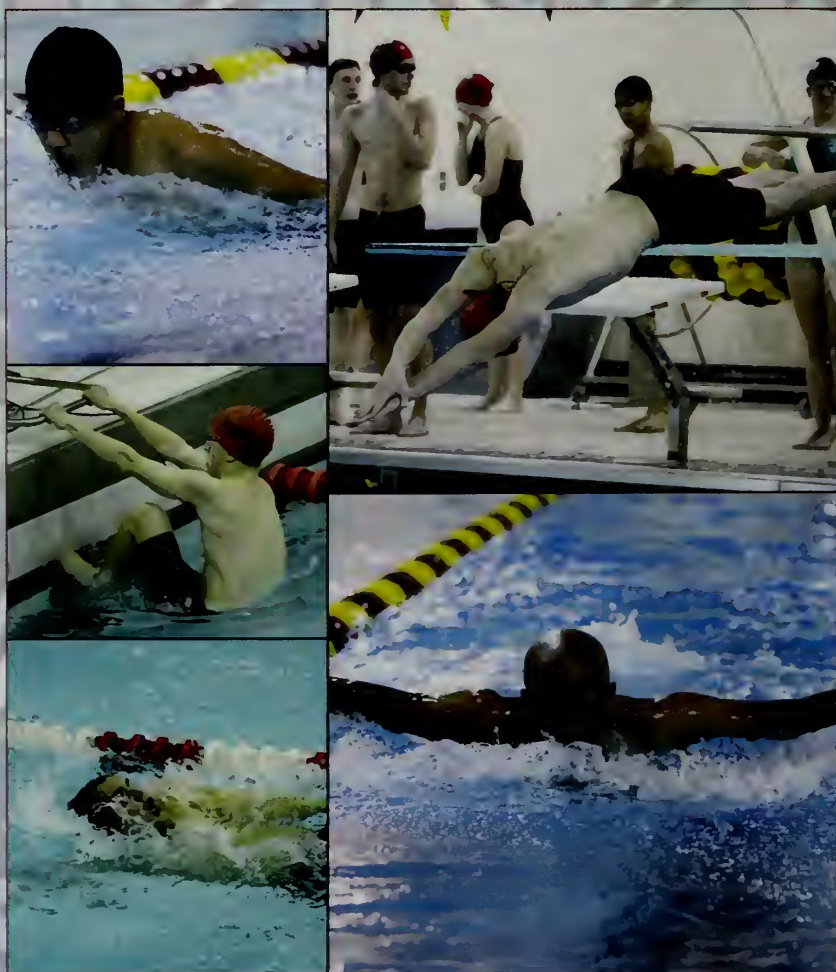

Captains Corner

The boys got off to a surprisingly good start despite our small team this season. Though our numbers weren't in our favor, the team did not hesitate to step up their game and swim their hardest. Some meets were a breeze, and others came down to that very last relay. Every single place counted, and everyone contributed to each win. The boys team is like a family and we will never forget all of the incredible memories we have made these past few years. Doing a "Wave and Roll" during almost every home meet was an incredible experience that won't be forgotten. Though crazy with the cancellation, Western Mass turned out to be a success with all of the guys swimming their best times.

The Girls' Swimming & Diving team had a very successful season this year despite having a small team. The team has always been like a family and this season was no different. Favorite memories include pasta parties, bus rides, and our "Wave&Roll" victories. We had an extremely crazy post-season because our Western Mass was cancelled by the MIAA. The hashtag #bringbackwesternmass starting trending on Twitter and we even got support from Olympic athletes. All the teams from the area put on a Western Mass meet without the help of the MIAA. We had 8 girls participate in the post-season including a diver. It was a season to remember and we can't thank the team enough for all the memories. Good Luck to the team in the upcoming seasons and we'll miss you guys!

My favorite memory this year and the highlight of our season was our 3-2 overtime win over Longmeadow in the playoffs. We had worked so hard all year. It was great to see it all pay off and for everyone to come together when our season was on the line. We'll never forget when Cameron Collins scored and everyone sprinted out onto the ice to celebrate in front of the loudest and most excited crowd we've ever seen. It was a great win for our team and it was an awesome way to end our final game against Longmeadow.

This year the boys indoor track team had a great season. Our record did not fully represent the successes and growth we achieved during the season. We had many great moments this year during both races and practices. Additionally, we had several athletes qualify for the Western Mass Championship meet, these athletes were Ian Fullerton, Gourab Sarker, Brady Sunter, Conner Coughlin, and Scott Besser. Overall! the coaching and determination from the team got us to where we were at the end of the season.

For the past four years, the Spartans have not lost an indoor meet; the last three years being Western Mass Champions. All around we are a strong team. From Paige Suse being the High Jump State Champion, Gabby Weithofer's strength in jumps and sprints, and Liann Simonds' strength at throwing, the balance we have as a team is what makes us unified. We could not have done anything without Coach Budd though. Thanks to his dedication and unbounded knowledge of the sport, each student on the team was able to excel when they put their minds to it. One of the most memorable moments was when we won Western Mass and did our "Hillshire Farm" chant. We rounded into a circle and screamed our hearts out. It was one of the best moments of the season.

Wrestling

Captains Corner

The Spartan team was young, with only one senior, but we had a great year. We were one match away from becoming Valley Wheel Champions, coming up short by only a few points against Putnam in the season finale. Our coaches Steve Graham, Conor Driscoll, and Paul Mercieri taught us a lot, and we ended up doing well in the Western Mass Tournament. We had two champions, a third, fourth, and sixth place winner, with the rest of the team competing strongly in their respective weight classes. Sophomore Connor Humphries won the Western Massachusetts Individual Division I title at 182 pounds. Additionally, Jake Strohman won the Western Massachusetts Individual Division I title at 138 pounds, placed 5th at New England's and placed eighth in the National Wrestling Invitational. We are expecting a great couple of years in our future as a team.

Captains Corner

The East Longmeadow Men's Baseball team was full of talented players. It was lead by team captain Dan McGuill and other senior leaders like Anthony Geary and Jake Smith. We started off hot with an 12-0 record even though we came into the year as the underdogs. Few people had much faith in us because of the talent we lost from the previous year. But with consistant pitching, defense, and hitting, we had one of the most feared line-ups in Western Mass. Nick Lambert lead the way when he blasted three homeruns in the first half of the season. Just being on a team with great chemistry and great people made the season one to remember.

Boy's Lacrosse

Captains Corner

The Boy's Lacrosse team had a good start this year. After winning their league last year, the team looked to repeat and go undefeated again, and posted a 4-0 record in their league. The future looks good for East Longmeadow lacrosse. Led by captains Nate Forest, Hunter Shea, Jon Stone, and Mike Wilkins, the Spartans look to make a playoff run. With a seasoned attack that included Western Mass leading goal scorer, Jack McIntyre and seniors Devon Bartholette and Austin Shuttleworth, the Spartans have had a surplus of goal scorers. The defense was anchored by senior captain goalie, Nate Forest and the strong defenders, senior Nick Vernadakis and junior Tanner Patterson. The team has an exceptional amount of talent returning next year and looks to stay competitive.

Our doubles teams really meshed well together and our singles players were very strong. We have some great building blocks with our underclassmen for our future teams. No one will ever forget the many bus rides and the team car wash, where Coach Extine liked to bust his "smooth" dance moves.

Although the East Longmeadow Boys' Track team is winless at this point in the season, the goal of the program is to promote individual growth and to have fun. The program has achieved this goal through the several personal records athletes have attained. Several athletes have qualified for the Western/Central State Qualifier meet while many more have qualified for the Division I Western Mass meet. Athletes achieved these accomplishments through their hard work and determination on and off the track. We wish good luck to everyone in their future seasons. Keep up the hard work next year!

Coming off a high of winning Western Mass last year, the team was more dedicated than ever. With many freshman and only three seniors, there looks to be a strong team with years to come. Senior Liann Simonds dominated the shot put while senior Lauren Kennedy excelled in the javelin and sprints. Gabby Weithofer was one of the most diverse athletes on the team, from jumps to sprints, there was nothing she couldn't do. Rebecca Varney was additionally unstoppable in the hurdles and Paige Suse shined in the high jump. Our lucky charm was the "Hillshire Farm" chant and "Freaky Fridays" were always a team favorite.
